**Online Contributions**

Anyone interested in making their weekly contributions to St. Philip Neri electronically may call the Parish Pay program at **1-866-Parish1** or visit **www.parishpay.com**. The parish benefits greatly from the regularity of the system and detaches the issue of church support from such factors as the weather, vacations, etc.

**Collection Report**

Last Sunday's first collection amounted to \$3,237. The air conditioning collection was \$1,565 for a total of \$4,802. We very much appreciate the sense of responsible stewardship those who, when away for a weekend or several, are conscientious about making up for their missed Sunday contributions.

**54 Day Rosary Novena**

As a message of hope in response to the spiritual crisis in our culture and nation, all are being urged to participate in the saying of the rosary daily from August 15, the Solemnity of the Assumption of Mary, through October 7, the feast of Our Lady of the Rosary. The prayers would be offered for marriage and the family, for peace, for human life and for freedom. The daily rosary might be recited individually, as a family or with a parish group, for 54 straight days, 27 days in petition from August 15 through September 10, and then 27 days in thanksgiving from September 11 through October 7. For more information, visit [www.54days.org](http://www.54days.org).

**Parish and School Website**

We recently called attention to our parish and school website. We thought it was good, but now it is better. We have joined an Archdiocesan network which allows us to modify the site ourselves from the rectory. This bulletin is now being posted on the site every Friday. Full information about our religious education programs for both children and adults can be easily located, as can be the registration forms to be filled out. Check out [stphilipneribronx.org](http://stphilipneribronx.org)

**Lectors Needed**

In response to our call for new lectors, two new volunteers attended a preliminary meeting on Monday night. There will be another meeting on Monday August 10 at 6:30 in the church. Present lectors are encouraged to attend since they will be able to share their experience with others. We continue to welcome anyone who can make a commitment, either for Sundays or weekdays. If we have a larger group, the commitment should be easy enough since we will have a list to from when on a given day the assigned lector cannot be present.

**St. Patrick's Cathedral**

On Tuesday August 25 Channel 13, during its "Treasures of New York" segment, will offer a film about St. Patrick's Cathedral, which recently underwent a \$175 million restoration. The film takes viewers through the cathedral's rich history as a center of Catholic life in New York and examines the architectural features that have made it a celebrated New York City treasure and a National historic Landmark. The film highlights the efforts to preserve this historic treasure, examining the massive, recently completed restoration that includes a new roof, repairs to the stone facade and restoration of the stained glass windows. Initiated in 2007, the project is the most extensive and expensive restoration in the cathedral's history

**Vocation Summit**

Do you love the priesthood and religious life? Would you like to learn more about how you can promote vocations in your parish? Then join us for a delicious meal, free of charge at St. Joseph Seminary in Yonkers this October 9, from 6-9pm. Our guest speaker is Rhonda Gruenewald, and expert from Houston who has literally "written the book" on how to effectively run a parish-based vocation ministry. Also at the dinner, we'll unveil our new four-point Archdiocesan Vocation Plan Please note: Attending the dinner does not obligate you to more volunteer duties. It is a night to learn, be inspired, and perhaps take home some best practices to your parish. See more details and RSVP at [www.nypriest.com/vocationsummit](http://www.nypriest.com/vocationsummit)

**Memorial Garden: Subscriptions Slow**

We have had only a few requests for memorial bricks in the chapel garden. If we do not receive at least ten requests by September we plan to return any contributions already made. Meanwhile it is still possible to inscribe a paving brick in memory of a deceased loved one or in tribute to the living. The donation is \$200. Since we can install the bricks only if we have a minimum order of ten, we encourage anyone interested to register as soon as possible. There is always a long delay between submitting the order and the installation date and we would like to be able to do so early in the summer. Enrollment forms are available both in the rectory office.

**Informe de Ofrenda**

El domingo de la semana pasada, logramos recaudar un total de \$4802.00 dorales; de los cuales \$1,565 fueron de la colecta para el mantenimiento del aire acondicionado. Muchas gracias por su generosidad. Tengo presente que, aunque algunos se encuentran fuera de la ciudad ya sea por un fin de semana o quizás durante lo que resta del verano, aun encuentran la manera de enviar sus diezmos.
