A Prayer for Life

O Most Holy Lord, Creator of heaven and earth, from Your gentle hand flows the gift of life.

To Your sons and daughters
 You have given the role of stewards to care for all of Your creation from womb to tomb.

Hear us as we pray for a greater respect for all of life throughout our world:

- that the unborn may be born,
- that the child may be safe,
- that the teen may be prepared,
- that the young adult may be other-centered,
- that the adult may be selfless,
- that the aged may be revered,
- that the dying may have dignity,
- that the deceased may rest in peace,
- that the resources of creation may be used well,
- that all Your creation may be blessed,

Having served You loyally on earth, may we obtain the rewards of everlasting life.

We ask this through Christ our Lord. Amen.

-Blessed Albert the Great, Summa Theologiae, II-II, q. 90, a. 2, ad 3m.

THAT MAN IS YOU!

BECOMING A MAN AFTER GOD'S OWN HEART

DISCOVER

- The scriptural vision of man and the overwhelming scientific evidence that supports this vision.
- The four leadership roles that have been entrusted to men and the five personal traits necessary for fulfilling these leadership roles.
- How and why Satan always attacks the union of man and woman.
- The three main obstacles to living as authentic men and the means for overcoming them.
- The wonderful renewal God is offering to men and their families through the Church.

PROGRAM DEVELOPER

Steve Bollman
Developer That Man is You!
Founder & President Paradisus Dei

During the Great Jubilee, Steve Bollman experienced a personal call to found a ministry dedicated to the renewal of marriage and family life. In 2002, he set aside his professional interests as an energy derivatives trader in Houston, Texas to found Paradisus Dei. In 2004, Steve developed the That Man is You! men's program, which quickly moved across the country transforming men, marriages and families. Independent research by a Faith Advisor to The Gallup Poll identified it as one of the most life transforming programs ever studied.
