Faith Formation

It's Up to You!

They never dreamed that one day they would wake up Catholic! That's the story that is told by so many adults who entered our Church through the R.C.I.A. process. And the story always goes on to identify some individual in their life who encouraged, and most times actually invited them, to check out what the faith was all about and how it could provide something important for their life.

You now have the opportunity to be that Catholic link for someone you know. Look around you. Who do you know that has never really been invited to check out the Catholic faith? What can you say to convince them that they will not be pressured to join the Church or to continue in the process if it's not what they want? What can you tell them about your own experience of the Church that might entice them to give it a try?

Their future may well be in your hands. Contact our parish Faith Formation Office for information or assistance. 513-521-7274, Ext. 21.
