

"A diverse community committed to forming a Christ-centered environment rooted in Catholic traditions which fosters academic excellence and lifelong Gospel values."

The RCS Newsletter

Entering Buildings after the School Day

Please be aware that the school officially closes and the front office shuts down every day at 3:30PM. It is very difficult to let students into the buildings/classrooms after this time. Our After-School Care staff cannot leave their duties to let students into the buildings. They have children to supervise and they are not allowed to leave them unattended. Also, please do not ask our cleaning staff personnel. They have been told it not acceptable for them to let students into the building to get items after school hours.

Anything before 3:30PM, will be as accommodating as possible. But please note that it is not an acceptable practice to be let into the buildings after 3:30. Thank you for your support with this practice.

Terra Nova Testing

Our annual standardized testing is complete. In general, from what the students were saying, they did well. This week and next week will be used for make-up testing. Any student that missed any testing will be pulled from various classes to make-up the tests they missed.

Enrollment for Next Year

Registration continues as we are now into open-enrollment for next year. If you have any questions regarding the registration process please call our office and our Admissions Department will answer any questions you may have.

Kickball Club

Next meeting is tomorrow. Students who want to play intramural kickball can attend each Monday afternoon from 3 to 4:30PM. Please see flyer.

Christian Faith Practices

As we prepare to launch the school's new vision statement, "Illuminating Student Learning with the Light of Our Faith", we encourage nurturing the faith of your children and adolescents at home. Here are 10 ways by John Roberto from *Catechist* magazine on how to do just that:

- 1. Reading the Bible as a family and encouraging young people to read the Bible regularly.**
- 2. Praying together as a family and encouraging young people to pray personally.**
- 3. Serving people in need as a family and supporting service activities by young people.**
- 4. Eating together as a family.**
- 5. Having family conversations.**
- 6. Talking about faith, religious issues, and questions and doubts.**
- 7. Ritualizing important family moments and milestone experiences.**
- 8. Celebrating holidays and Church-year seasons at home.**
- 9. Providing moral instruction.**
- 10. Being involved in a faith community and participating in Sunday worship as a family.**

Kiddie Sports

Kiddie Sports' Tennis Lessons for our students starts again this Thursday after school. Please call them for more details on cost and registration. 541-6565.
