

# Sixth Sunday in Ordinary Time

## February 17, 2019

Today in Children's Church, the children heard in the Gospel that whether we are sad, hungry or poor, we can always achieve happiness if we keep our faith in God. Happiness can be ours when our hearts are filled with love and goodness and we remain close to God. God wants us to be happy and gives us the gift of Himself by watching over us, loving us, guiding and protecting us, and leading us to eternal happiness.

The children discussed things in their everyday life that makes them happy and sad. They understand that if we keep our faith in God even when times get difficult, we can always achieve happiness in our day to day life. The children made a necklace with a key with the inscription, "God is Our Key to Happiness" to always remind them that God is there to open the door to happiness.
