Re: **Benefits Renewal and Changes Effective July 1, 2018**

March 14, 2018

OUR FOCUS FORWARD is on WELLNESS!

***We're making some behind the scenes funding changes this year** to help us with our long-range objectives. Note that for the 2018 – 19 plan year, ALL INSURANCE PLAN Offerings, Carriers, and Pricing remains the same as last year. **BCBS will issue NEW Insurance cards for our group Health plans EFFECTIVE July 1st with our new group number, but all provider networks, claims processing and plan designs remain the same.** *There will be some additional information at Open Enrollment about the 'Benefits Advocacy Centers' through our new Benefits Administrator/Consultant, Gallagher Benefits Services.*

The Basics:

Employees must work at least 20 hours each week on a regular basis to be eligible for benefits. Coverage for new employees is effective the first day of the month following hire date. **Open enrollment is May 1 through May 25, 2018** and the effective date of changes made during open enrollment is July 1st.

Health:

Blue Cross/Blue Shield HMO of Louisiana will continue to be our administrator on all health plans. [**reference Memo dated 2/28/18*]. This year we again have a rate-pass with **NO INCREASE** to our premiums on current plan offerings and the Archdiocese will continue to cover all but \$50 dollars of the Employee Only HMO rate again this year. The higher-deductible "HMO-80" plan which we added last year, is offered again at \$20/month for Employee-only coverage.

Remember that all employees contribute to the premium cost. Employees who cover dependents or choose the higher cost Point of Service (POS) plan will have the employer portion applied to their cost, and they will continue to pay the difference between what their employer pays and the cost of dependent or POS coverage on all plans.

[*Archdiocese cost-share = \$541.10 toward any health plan election, with the exception of the higher-deductible "HMO-80" which has an Employee Only rate of \$20 dollars per month; all other dependent premiums have the offset.*]

Note: The higher-deductible / "HMO-80" offers slightly lower monthly premiums with the plan-design change of requiring \$750 / year deductible for utilization of some covered services.

Blue Cross monthly insurance rates as of 7/1/18 are below

These are the total monthly rates without the employer's or employee's portion taken out; please contact the HR office for premium cost-share rates for your payroll frequency.

Coverage Elected	HMO	POS	Higher Deductible "HMO-80"	*Retiree PPO Out of Area
Employee Only	\$591.10	\$671.02	\$532.52	\$698.00
Employee plus Spouse	\$1182.19	\$1342.02	\$1,065.04	\$1395.96
Employee plus Child(ren)	\$1093.54	\$1241.35	\$985.17	\$1291.27
Employee plus Family	\$1684.60	\$1912.38	\$1,517.66	\$1989.25

*(*eligible with 15 yrs. Service, ages 55 – 65)*

Important Reminders: Emergency Room visits are \$350 per visit
Urgent Care is not covered on the HMO Out of State, only with the POS
Blue Cross continues to work hard to hold costs on Pharmacy drug coverage, so a reminder to visit www.bcbsla.com/pharmacy to check whether a drug is covered, and ask your Doctor about whether a covered alternative may be available for treatment.

***NOTE:**

Plan summaries for the HMO, POS, HD/HMO80 and retiree PPO are available on the Archdiocese website at the HR Staff Benefits page. <https://nolacatholic.org/ano-staff-benefits-information>
