Last weekend we had the annual SPUC White Flower appeal and collection which raised £220.11 . SPUC is currently campaigning to stop the decriminalisation of abortion, which means taking abortion outside law. This is the most dangerous threat to unborn children and their mothers in decades. Please be as generous as you can to help defeat this latest attack on unborn babies and their mothers, and to stop abortion getting even worse in this country by decriminalisation.

Please take the opportunity to have a look at the parish website. It contains new information and links to recent events of interest including the Pilgrimage to the statue of Our Lady of Walsingham in Middlesbrough Cathedral made by some of our parishioners . In order to promote the Faith in this century it is good to learn from the rich Catholic history of this country.

New GDPR Legislation. The Catholic Insurance Service has instructed the diocese regarding this new legislation on data protection. It affects the parishes in a couple of ways: firstly all information must be kept in a locked filing cabinet and secondly the names of living people who are on a sick list or who may be having a Mass said for them may not be printed on the newsletter or website without their written permission. This does not affect Masses for the dead. I propose to print the initials of the donor after 'Mass for the Intentions of..'

Anyone who has their name on a rota or is a winner of the 100 club is presumed to have given their consent.

The message from the diocese concludes 'whatever our opinions, we must be compliant.'

NB Due to the redevelopment of Holme Hall there will be no Masses offered in the chapel at Holme- upon- Spalding- Moor until further notice.

Diocesan Yearbook 2019 are now available for £1, please note that the parish email is wrong in the Yearbook but correct on the newsletter and on the website.

Retreats 2019- www.ampleforth.org.uk offers a range of retreats throughout the year. I have also received information from www.boarbankhall.org.uk which is run by Augustinian sisters. A few days quiet and contemplation can bring great refreshment to souls and bodies, why not give it a try in the New Year.

The following blessing is given to those who come to Mass on 1st January. The words seem appropriate to guide our prayers and actions in this New Year:

May God, the source and origin of all blessing, grant you grace, pour out his blessing in abundance, and keep you safe from harm throughout the year.

May he give you integrity in the faith, endurance in hope, and perseverance in charity with holy patience to the end.

May he order your days and your deeds in his peace, grant your prayers in this and in every place, and lead you happily to eternal life.

With every blessing to you and your families
Fr Michael Sellers.
