*** Happy Birthday, Talan, Miles, Brayton, and Hitomi!!!!***

Find and name shapes with your child. Shapes are everywhere! Your tires are circles; the door is a rectangle; a stop sign is an octagon. Try to find triangles, squares, diamonds, ovals, crescents, hexagons, pentagons, and maybe even a trapezoid!

Ms. Hunt's pet unit will be in February. If you don't have a pet, you and your child can begin looking for a photo in a magazine of a pet he or she would like to have. If you do have a pet, you can find or take a picture to bring to class for the bulletin board. If you would like to bring your pet for show & tell, you must make an appointment to do so and you must provide a copy of your pet's up-to-date shot record. We're sorry, but birds are not allowed.
