

Dear Parishioners,

With the new year, we have begun our second session of Wednesday night Koinonia. I was happy to see a lot of new faces and families join us for this session. It is a great time for fellowship around the meal and I believe we have a great lineup of faith formation opportunities with excellent presenters. It is so important that we continue to grow in our faith, and expand and stimulate our faith with new ideas and concepts. If you are not taking advantage of Koinonia already, please consider coming and joining us. It is not necessary to sign up beforehand - you can just drop in.

Here are the offerings we have this session:

Adult Confirmation: Formed.org's *Symbolon*

Endow Women's Groups - St. John Paul II's *Letter to Women*

Formed.org's *Lectio: Prayer*

Understanding Liturgy: The General Instruction of the Roman Missal

Western Monasticism: Yesterday and Today

Catholic Social Doctrine: What Constitutes a Just Society

History of the Church, Part II: Trent to the Present

Come and go to a class that interests or attracts you.

I would like to thank all the presenters and volunteers who help make Koinonia possible.

In Christ,

Fr. Vincent
