### Parish Announcements

**Saint Martin of Flaherty Altar Society** – St Martin's is looking to begin an altar society at our church. An altar society is a group of parishioners who care for the altar and the sanctuary. They help with preparing the altar flowers and decorations for the sanctuary for masses and for special liturgical seasons. They also help with washing and caring for our altar linens and clergy vestments. The washing and caring for the linens can be a prayerful meditation and the altar linen ministers have the ability to bring about sacredness in the ordinary task of cleaning and pressing linens. This part of the ministry can be done at home.

This ministry is open to men and women, young and not so young. Even ones who are homebound and cannot be a part of other Liturgical ministries at this time in their lives, but who wish to serve here at St. Martin's. Please prayerfully consider being a part of this ministry.

For more information or to volunteer to be a part of this, please contact Roselle Muse at (270) 272-4898, or come see me at the office or after mass. Thank you!

**Flowers on the Altar** each week are donations from parishioners wishing to remember a deceased family member. You may also donate to celebrate a birthday, anniversary or to make our sanctuary beautiful. Call the parish office to donate flowers on the Altar for your special occasions.

### Marriage Moments

"But they had no child, because Elizabeth was barren..." (Luke 1:7) God said to Zechariah, "Your wife Elizabeth will bear you a son." (Luke 1:13) Perhaps you long for a child. Perhaps you already have a child or several. Regardless, ponder how your married love can reflect the generativity of God by supporting a child who is not your biological child.

### Parenting Point

Discipline does not mean punishment. The purpose of discipline is to help your child learn to become responsible. Allow your child to experience the consequences of their actions. If a child chooses not to study for a test, she will get a poor grade. If he leaves his bicycle out in the yard, it may get rusty or stolen. If she does not set her alarm, she may miss the school bus. These may seem like hard lessons, but better to learn them when the stakes are low than when losing a job or having an untimely pregnancy might be the consequence.

### Word of Life

For our lawmakers: May they defend our freedom to follow our consciences serving God and neighbor according to our Faith.
