By exploring these stories, we will come to a deeper understanding of the dynamics of conversion in our lives: how to discern God's call to us, how to overcome the obstacles we put up to answering the call, and the fruit of saying "yes" to God.

A parable is an interesting literary form that throws together, or compares, familiar events or items, while also providing a spiritual teaching. The parable of the grain and the weeds involves a concern about non-believers who are part of the early community of followers of Jesus. The disciples are restrained from removing them. How quick are we to try to root out someone we perceive as less perfect or less desirable than ourselves? Do we make room for God's greatness and counterintuitive ways?

CATHOLIC SOCIAL TEACHING CORNER

This Sunday we hear the familiar story of the sower and the seed. In the end this parable is about abundance, God makes the seed bear fruit many times over. Mother Teresa once said "If you cannot feed 100 people, feed just one." If we are fruitful recipients of the Word of God, how much will God multiply that good in the world? How does God's word move us to share abundantly through a simple gesture of offering a package of crackers to the homeless or bringing food to a local pantry?
