"Every Life is a Gift"

MARCH FOR LIFE

This year's March for Life will be **Friday, January 22**. The Respect Life Ministry is once again organizing a group to Washington D.C. to show support for the defense of life. **This year we plan to travel via the Metro rather than chartering a bus.** We will meet at St. Joseph and carpool to the Reston metro station. The carpools can also meet groups at the metro if you would rather have your own car at the station. For those uncertain about this mode of transportation to the march, I can say that I have personally taken the metro several times to the march and it had worked well. Please contact me if you have questions or if you plan to attend with the St. Joseph group. (703) 435-2294 or by e-mail Peggy Bauer at pbauer419@aol.com.

blessed
{to be a blessing}

Peace and good! As we begin 2016 – a new year – it is a good time to reflect upon our blessings of the past year and the priorities for 2016. I share with you the following insights from Pope Francis (2016):

"The Lord bless you and keep you. The Lord make his face to shine upon you, and be gracious to you. The Lord lift up his countenance upon you and give you peace" (Num 6:24-25). There is no more meaningful time than the beginning of a new year to hear these words of blessing: they will accompany our journey through the year opening up before us. They are words of strength, courage and hope. Not an illusory hope, based on frail human promises, or a naive hope which presumes that the future will be better simply because it is the future. Rather, it is a hope that has its foundation precisely in God's blessing, a blessing which contains the greatest message of good wishes there can be; and this is the message which the Church brings to each of us, filled with the Lord's loving care and providential help.

As we reflect upon the words of Pope Francis and our personal priorities for the New Year, I offer the following prayer as we begin this New Year of 2016:

May God make your year a happy one!
Not by shielding you from all sorrows and pain,
But by strengthening you to bear it, as it comes;
Not by making your path easy,
But by making you sturdy to travel any path;
Not by taking hardships from you,
But by taking fear from your heart;
Not by granting you unbroken sunshine,
But by keeping your face bright, even in the shadows;
Not by making your life always pleasant,
But by showing you when people and their causes need you most, and by making you anxious to be there to help.
God's love, peace, hope and joy to you for the year ahead.

May we continue to be open to the guidance and blessings of the Holy Spirit during this New Year!

In the peace of Francis of Assisi,

Father Tom, TOR

Calling for Parish Advisory Council (PAC) nominations

The Second Vatican Council stated that Catholics have a right and duty to express their opinions about what pertains to the good of the Church. By promoting the St. Joseph pastoral council, I acknowledge the wisdom of our parishioners and desire to share my responsibility for the governance of our parish.

The PAC provides advice on the practical matters of parish life including ministries of proclaiming God's Word, celebrating the sacraments, caring for the faithful, promoting the mission of the Church to the world, and being a good steward of parish resources.

Serving on the PAC is a ministry. It requires certain gifts. PAC members are chosen for their ability to accomplish the main task of the council - the work of investigating, advising, and recommending practical solutions. Members should have the specific gifts of a wise counselor, including the ability to study, investigate, and examine pastoral matters thoroughly. Members should have the capacity to reflect widely and the patience to ponder deeply. Finally, members should be able to listen to differing opinions, integrate various points of view, and discern with others what is best for our parish.

PAC members must be registered parishioners, Catholics in good standing with the Church (Baptized, First Communion, Confirmation, attend Mass weekly, etc.), who reflect the parish's various communities, social and professional groups, and ministries. They are parishioners noted for their faith, good morals, and prudence. They must be committed to a life of prayer and to the mission and ministries of our parish. They must be willing to participate in continuing education and the PAC's group process. PAC members must be willing and able to meet monthly for up to two hours at a time in the evenings and to perform other necessary work in between meetings as is necessary to perform the PAC's mission.

St. Joseph PAC is made up of 10-12 parishioners, including a member from the Finance Council. Members are either selected through a nomination process or appointed by the pastor. Each serves a two or three-year term. In January, I will accept nominations for new PAC members. In the meantime, would you prayerfully consider offering your time and talent to our parish as a member of the PAC? If you feel God is calling you to this ministry or if you know of someone you think is well qualified to represent our parishioners, please look for and complete the nomination form in this bulletin.

Peace and good!

Father Tom, TOR

Dear Parishioners:

Peace and good!

The past few months we have been involved in the reflection process on the parish mission statement. The initial meetings involved the Parish Advisory Council and Pastoral Team. After several meetings to discuss the mission statement and receiving comments and insights regarding the mission statement, I present the following mission and vision statement to you.

Mission Statement

Saint Joseph Parish preaches the Gospel through sacramental living and service to others in order to build God's Kingdom.

Vision Statement

Saint Joseph Parish is a joyful community, preaching the Good News to all, promoting the sacraments and social justice, and serving others through works of mercy in the spirit of Saint Francis of Assisi.

I would invite you to reflect upon this final DRAFT of the parish mission and vision statement. Please forward to me (frtbourque@sjcherndon.org) any of your comments and insights by January 25, 2016.

I thank you for your participation in the mission statement process.

Blessed 2016!

LIFE. It's VERY good.
