

INTRODUCTION

This handbook has been developed to inform parents whose children are enrolled in our center's programs about the policies and procedures of our Child Development Center.

Communication is key to any relationship and we strive to keep you informed and up to date. As a parent, you will be notified in writing of any changes and/or additions to any policy or procedure in this handbook during the school year, no less than 10 days prior to implementation. Parents are expected to read, understand, and be familiar with this handbook as it also serves as the Parent Contract which will require your signature of receipt, understanding and agreement.

HISTORY

Established in January of 2001, we have grown from our humble beginnings as a Part Day Program that afforded the mothers of our parish an opportunity to run their weekly errands, while ensuring that their children would be cared for in a safe, faith filled, and developmentally appropriate environment. A new Full Day Program was established in June of 2006 to meet the needs of working families in the parish and in our community.

PHILOSOPHY

Believing that each child is made in the image and likeness of God, we minister to each child and their family as the child develops spiritually, socially, physically, emotionally, and intellectually. We focus on providing high quality, developmentally appropriate care to children in a Catholic environment. We are continually challenged to identify and to minister to the needs of our children and their families.

STATEMENT OF GOALS

The overall purpose of the St. Thomas Aquinas Child Development Center is to provide developmentally appropriate and nurturing care for children in a Catholic environment for our local parish and the larger community. The following goals are necessary to meet that purpose:

- To teach basic Catholic principles by word and example.
- To help children grow in their knowledge and understanding of the Catholic faith through Bible stories, age appropriate activities, and the celebration of special feast days and customs.
- To provide a safe and healthy environment that encourages play, exploration, and learning.
- To provide interactions and activities designed to foster a healthy self-esteem and a love for learning.
- To encourage each child to solve problems independently.
- To promote physical development through fine and gross motor skills.

ORGANIZATION

The St. Thomas Aquinas Child Development Center is a licensed, non-profit organization. The Pastor of the Parish is the administrator. The St. Thomas Aquinas CDC's Director is responsible for the day to day operations. The St. Thomas Aquinas CDC Board serves as an advisory group to both the Pastor and the Director.

The Center cares for children in two Program options:

The Full Day Program is open Monday-Friday from 7:30am-5:30pm for children ages 6 weeks through 4 years old year round (September-August).

The Part Day Program is open Monday-Friday from 9:00am-2:30pm for children ages 1 year through 4 years old year round (September-August). Parents may choose a Tuesday/Thursday option, a Monday/Wednesday/Friday option or a Monday-Friday option.

***Please see the Academic year calendar for a complete listing of the dates that the CDC will be closed. (We generally follow the College Station ISD calendar.)**

CURRICULUM

The goal of our CDC is to provide a developmentally appropriate program that is structured to fulfill the needs of our children. The curriculum is everything that happens throughout the day. Our curriculum includes prayer, language experiences, art, music, physical skills, manipulative, dramatic play, science, nature, cooking, literature, outside play and more. We encourage our children to participate fully in all activities.

Developmental skills, creativity, and exploration are enhanced through these units. We have visits from community helpers in order to give children a greater awareness of the world around them. Additionally, children age 3 and up will have the opportunity to be involved in music through the St. Cecelia Singers with our Parish Music Coordinator.

The St. Thomas Aquinas CDC is a Catholic program committed to sharing the gospel of Jesus Christ with children in age appropriate ways. With young children, Bible truths are taught through experiences and relationships, as well as, through words. During class time, children are taught that God loves them and we are all God's children. Basic Christian principles are taught by word and example...to love one another, to be kind to each other, to comfort those who are sad, and to share with each other. Bible stories and times of prayer are shared with the children. For our 3 year olds and

Pre-K children, the *Godly Play* curriculum

(a Montessori-based religious education program) is introduced. The priest of the parish will also conduct a weekly Chapel time with all of the children and staff.

ENROLLMENT

The enrollment contract is for one academic year (September-August). An annual **\$150** per child registration fee is due as part of the enrollment process. This fee is **non-refundable, non-transferable**, due at the time of registration.

Once enrolled in the program, children will remain enrolled for the academic year or until a **30-day** written withdrawal notice is received. Each academic year, children may be promoted to their appropriate classroom based on age and availability.

Children may be enrolled as places become available throughout the academic year. Enrollment for any student is subject to administrative approval.

In the spring you will have the opportunity of re-enrolling your child for the following academic year. The \$150 enrollment fee must be turned in at time of re-enrollment to secure your child's place for the fall.

SUPPLY FEE

The St. Thomas Aquinas CDC charges an annual supply fee that is due by the first day of attendance each academic year. This fee covers academic and paper supplies for the classrooms, the expense of providing daily snacks, curriculum costs, as well as replacing outdated or broken toys, materials, and furniture. Our supply fee also helps to pay for our subscription to the Tadpoles app which is our parent communication tool.

TUITION

Tuition is due on the first day of each month.
Tuition rate forms are available in the CDC Office.

Tuition is due on the 1st day of each month and is considered delinquent on the 8th. Payment received after the 7th will be assessed a \$25 late fee. Additionally, if tuition payment and any applicable late fees are not received by the 7th, children will not be allowed to attend the CDC on or after the 8th and a daily fee of \$5 will be assessed for each day that the account is delinquent-until the account is paid in full. If tuition and all fees not paid by the 12th, children will be dismissed from the CDC.

note If you think you may be delayed in paying tuition due to outside events (travel, illness, etc.), please make arrangements to mail the tuition or drop it off at our CDC office by the 7th or make arrangements with our Parish Accountant.

There is a \$25 returned check fee. Tuition will NOT be pro-rated or refunded. Late fees (for tuition and pick-up) are considered part of tuition.

We are unable to provide drop-in services to unregistered children. However, if you wish for your child to attend an occasional day that he or she is not registered for, and space allows, an additional fee of \$30/day will be charged. Children registered for the Part Day Program may be allowed occasional “extended day” services. The extended day fee for the morning is \$10 per child and the extended day fee for the afternoon is \$15 per child.

TUITION DISCOUNTS

We offer two different types of discounts to our families: Oldest sibling discount OR a registered parishioner discount (only one discount per family).

*If you wish to partake of the parishioner discount, the Parish Investment forms may be obtained from the Parish Accountant.

SCHEDULE CHANGES

Notice for schedule changes must be submitted a month before you are requesting a change to take place. Changes take place at the beginning of a month and are not prorated. Schedule changes are also based on availability and approval.

WITHDRAWAL

A **30 -day written notice** is required prior to withdrawal from the CDC for any reason. A withdrawal form may be obtained from the CDC office. Monthly tuition will **NOT** be pro-rated or refunded (*Tuition includes any fees or other charges.)

A \$25 re-registration fee is due for children who withdraw and return in the same academic year.

Families terminating their contract before August have the option to be placed on the end of the waitlist. Families will need to fill out a waitlist form and attach the \$40 fee. This option does not guarantee placement in the fall.

ABSENCES

When your child is enrolled in the Center, he/she takes up a reserved space that is held open. Expenses remain the same whether your child is here or not. There are no refunds or make-up days for missed days. Consistent and prompt attendance is advised. If, for any reason your child will be late or absent for any amount of time, please contact the CDC office at (979) 485-8130.

DISMISSAL

While it is always regrettable to dismiss a child from St. Thomas Aquinas CDC, there are times when such action is appropriate and necessary. Some situations that demand expulsion are:

- Non-payment of tuition or fees by the 12th of the month.
- Inappropriate behavioral acts of a child who violates the rights of others and who shows no improvement to change such behavior.

It is our policy at St. Thomas Aquinas CDC that we do not allow anyone to hurt another. Again, we understand that many toddlers go through developmentally appropriate stages of hitting, biting, etc. Some additional examples of disruptive, unruly and inappropriate behavioral acts are as follows:

Biting, hitting, kicking, disrespect and/or defiance of teacher/authority, spitting, yelling, pushing, scratching, pinching, cursing, etc.

It is extremely important that the child's parents work with our staff and Director to resolve these behavioral stages while protecting **ALL** the children.

Parent/Teacher conferences with the Director along with documentation of behavior will be employed.

- Parents are notified by notes, phone calls, reports, and via the Tadpoles app.
- A conference is held with parents and teachers to set up a plan to deal with inappropriate behavior.
- Daily reports are sent to parents via Tadpoles app.
- The child is dismissed when no improvement is seen within a certain time to be set by the Director and with parent notification.
- There will be no refunds of tuition for a child that is dismissed.

DISCIPLINE AND GUIDANCE

As a Catholic Child Development Center we seek the fullness of truth and discipline. As caregivers and role models for developing individuals, we take great care to ensure that they are being guided according to the Christian principles that we have been called to uphold. St. Thomas Aquinas CDC employs discipline that is:

- Individualized and consistent for each child.
- Appropriate to the child's level of development.
- Directed toward teaching the child acceptable behavior and self-regulation.

Our caregivers use positive methods of discipline and guidance that encourage self-esteem, self-regulation, and self-direction, which include at least the following:

- Using praise and encouragement of positive behavior instead of focusing only on negative behavior.
- Reminding a child of expectations daily by using clear, positive, statements.
- Redirecting behavior using positive statements.
- Using brief supervised separation or time away from the group (1 minute of time per year of age).

We will not tolerate harsh, cruel, or unusual treatment of any child. The following types of discipline and guidance are prohibited:

- Corporal punishment or threats thereof.
- Punishment associated with food, naps, or potty training.
- Pinching, shaking, or biting a child.
- Hitting a child with a hand or instrument.
- Putting anything in or on a child's mouth.
- Humiliating, ridiculing, rejecting, or yelling at a child.

- Subjecting a child to harsh, abusive, or profane language.
- Placing a child in a locked or dark room, bathroom, or closet with the door closed.
- Requiring a child to remain silent or inactive for inappropriately long periods of time for the child's age.

All of our discipline policies are in accordance with Texas Administrative Code, Title 40, Chapters 746 & 747, Subchapters L, Discipline & Guidance that govern our actions as a State Licensed facility.

ARRIVAL/PICK-UP

Everyone will enter and exit through the *front main entrance* to the CDC. **Please do not park in the FIRE LANE. For the safety of the children, please enter and exit the parking lot at a slow rate of speed and obey the STOP signs that are in place.**

Each morning, children must be accompanied to their rooms by a parent or authorized adult.

Children MUST be signed in/out on a daily attendance form in the classroom.

Children should never be left in their classroom unless there is a teacher or staff member present; please ensure that there is a teacher/staff member in the room before you leave your child. **The CDC will not be held responsible for children whose parents do not do this.** Children will be released only to those persons whose names appear on the registration form. Written notice of any additions or changes to this agreement must be signed by the parent and submitted to the Director. St. Thomas Aquinas CDC has **NO** legal authority to refuse either parent the right to pick up a child unless a court order has been granted stating temporary or permanent custody to one parent or to a third party and the school has been furnished with a copy of the order. Photo identification is required by licensing to verify identity.

The CDC is licensed to provide care from 730am-530pm for the Full Day Program and 900am-230pm for the Part Day Program.

A **Late Pick-Up Fee** will be assessed per child for late pick-up (after 230pm or 530pm). The fee is \$1 per minute per child. For example: 5 minutes (1 child) = \$5. 5 minutes (2 children) = \$10.

CLOTHING

We play in mud, sand, and water. We cook and make marvelous goops and concoctions. We glue and paint (not always with brushes)...so please have your child wear comfortable play clothes so that they will feel free to participate. Each child must have an extra set of **seasonal** clothing in their cubby or backpack. Please label all their belongings with their name.

Outside is our favorite place to be, so please put sunscreen, insect repellent, and appropriate clothing on your child before bringing them to school. (**Our CDC staff is unable to put sunscreen and insect repellent on the children.**)

SHOE POLICY

Appropriate shoes must be on your child's feet each day. For safety reasons, we recommend closed toe shoes for our activities. Flip flops, cleats, & backless shoes are discouraged.

YOUR CHILD WILL NEED

To keep at school:

- A nap mat/Kinder Mat (bedding and mats will be sent home weekly to be cleaned & sanitized).
- Seasonal change of clothes.

To have in your child's backpack daily:

- A lunch and cup/water bottle (no soda, sweet tea, candy, or gum).
- A change of clothes.
- A back-up supply of disposable diapers/pull-ups, wipes, & diaper cream, if applicable.
- Your child may bring a comfort item from home to have during rest time that may

make them feel more secure. However, we discourage bringing toys from home to play with.

Infants:

- Formula or breast milk, infant water (if desired), disposable diapers and wipes.
- Multiple changes of clothing.
- Pacifier (if desired or used).
- Diaper cream (if desired or used).

Mothers who are nursing are welcome to come during the day to nurse their children. Please coordinate with your child's teacher if you wish to do so.

*****PLEASE LABEL ALL ITEMS BROUGHT TO SCHOOL FOR YOUR CHILD.*****

PARENT INVOLVEMENT

If this is the first time your child will experience a childcare/preschool environment, your positive attitude will greatly affect the initial adjustment to our Center. While a majority of children have little difficulty in adjusting to new situations, some do experience teary separations. A brief stay with your child in the classroom on the first day is recommended if the situation warrants. There may be tears but reassure them of your return and leave promptly. Call the Center to check on your child as often as you like and we will inform you about their progress. Please remember that a child can sense any reservations on the parent's part, so a positive attitude must be maintained to assure a smooth transition.

Parents are welcome to visit the program at any time during hours of operation, for any reason,

without prior approval. **All parents who wish to volunteer must complete Diocesan requirements for Ethics & Integrity in Ministry, including a background check, an online application, and attend an Ethics & Integrity in Ministry workshop. Please see the Parish website for more information regarding EIM.**

The CDC provides information about activities through our monthly events calendar, notes sent home, Facebook, and via our Tadpoles app. The Tadpoles app is used by our classrooms to send daily records of diaper changes, potty times, feedings, snacks, and other activities.

There is also a parent information board by the CDC office posting state notifications, snack menus, and the most recent Licensing inspection report. **Parents please read ALL notes and letters that are sent home. We strongly encourage parents to participate and communicate with us. If at any time you need to reach the center or your child's teachers, please call us on our center phones at (979) 485-8130. This is our preferred method of communication throughout the day with our classrooms and teachers. If, for any reason, someone is unavailable to take your call, please leave us a detailed message and we will promptly respond to you.

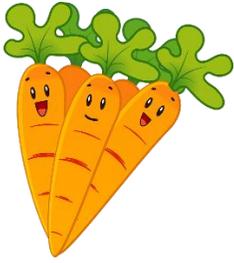

PETS

We do allow classroom pets, such as (but not limited to) fish and turtles.

LUNCH

Your child's lunch should be something they can feed themselves (excluding infants). Remember to pack foods that your child enjoys and that are safe and healthy to eat. Children will not be allowed to share lunches. Please remember to include a drink, water bottle, or cup (no soda or sweet tea). We also offer Lunch Box Break (LBB) twice a month. For \$5 per lunch, your child can receive 2 slices of pizza (cheese or pepperoni), a juice pouch, and a

fruit cup. Please ask your child's teacher for more details.

SNACK

A mid-morning snack will be given to all children and an afternoon snack given to children in the Full Day Program. This includes a variety of food items. The monthly snack menu is posted on the parent bulletin board and in each classroom.

POTTY TRAINING

In regards to potty training, our school's policy requires all children going into the 3-year old classrooms to be fully potty trained prior to entering the classroom.

LOST AND FOUND

Lost articles will be kept in the classroom or in the office. Any extra items of clothing should be clearly marked with your child's name, especially jackets and cups. The Center will not be responsible for items left over 30 days.

HEALTH

We require **ALL** of our teachers and staff to obtain the flu vaccine each year. The immunization must be obtained by November 15th each year. A copy of the teacher's immunization record or receipt is required to show that the immunization was obtained. Documentation showing the completion

of the flu immunization will need to be updated yearly.

If an employee is exempt from obtaining the vaccine, written documentation must be submitted. The documentation must be from a practicing, non-family member physician or a notarized document from the health department. If a teacher does not obtain the immunization they must -at all times- during the flu season, wear a face mask and gloves for the safety of others. A teacher who does not obtain the immunization for religious or medical reasons will not be discriminated against. Failure to obtain the immunization without being exempt for medical or religious reasons may be accepted as the teacher's resignation.

All children must have a current medical examination and immunizations. Four year olds must have vision and hearing screenings (at their 4-year well-check). *TB tests are not required in this county. Documentation must be submitted on the first day of attendance. This is to conform to the laws of the State of Texas and the Department of Human Services. Please inform the Director and your child's teacher of any chronic medical problems or allergies before their first day of school. *An **Allergy Action Plan**, physician's notes, and any medications (EpiPens, Benadryl) must be on file for each child with severe allergies.*

ILLNESS POLICY

Please keep your child at home if he/she:

- Has a temperature of more than 100.4 degrees in the morning. Children should be free of fever for 24 hours ***without medication*** BEFORE returning to the Center.
- Has conjunctivitis, an eye infection commonly referred to as "pink eye". The eye is generally red with some burning and pain and there is a thick yellow/green drainage being secreted.
- Has a respiratory illness. This can begin with hoarseness, cough, and a slight

elevation in temperature. The cough may be dry and painful, but it gradually becomes productive.

- Has a rash that you cannot identify or that has not been diagnosed by a physician.
- Has impetigo of the skin. It shows up as red pimples. These eventually become small vesicles surrounded by a reddened area. When the blister breaks, the surface is raw and weeping.
- Has diarrhea (watery or greenish bowel movements that look MUCH different or are MORE frequent than usual). Your child must be free of diarrhea for 24 hours.
- Is vomiting (more than the usual spitting up in an infant). Your child must not have vomited in the last 24 hours.
- Has a severe cold with fever, sneezing, and nose drainage.
- Seems really sick without obvious symptoms. In this case, a child may look and act differently. There may be unusual paleness, irritability, unusual tiredness, lethargy, or general lack of interest.
- Has any **CONTAGIOUS** disease-measles, chicken pox, mumps, roseola, croup, etc. **Please let us know if your child becomes ill with a communicable disease so that other parents may be notified.**
- Has been diagnosed by a doctor as having an ear or throat infection until medication has been administered for 24 hours.
- **HEAD LICE:** Head lice (*Pediculus capitis*) are parasitic insects that feed on human blood and cause severe itching of the head. If head lice were to affect your child or another child in the school, several actions would be taken. 1) Parents of the infected child would be notified and the child would be immediately removed from the child care setting until further notice. 2) Infected student may return to school once one treatment with an effective medicated shampoo or cream is utilized and the student is lice and nit free (To ensure effective treatment, the child will be checked for any

evidence of new infestation daily for 10 days after treatment. If you used a lice removal service, please provide the office with the service's paperwork and guarantee so that we may keep it on file.)

****Note**** If a condition develops during the day, a parent will be notified and the child must be picked up as soon as possible. A sick child will be attended to and kept comfortable until parents arrive. An illness form will be filled out and **MUST** be signed by a parent/guardian when the child is picked up.

****Children in attendance must be able to participate in ALL activities – including outside time.**

MEDICATIONS

We prefer no medications be sent to school, as our staff is not allowed to administer medication. (Special circumstances will be considered- please notify the director.)

****If your child is on any medications or was given medications at home prior to drop-off, please let their teachers know of any possible side effects (drowsiness, diarrhea, etc).**

ACCIDENTS & INCIDENTS

Parents are notified of any accidents or incidents. Always leave a phone number where you may be reached if it is different from the emergency numbers on file. Accident & incident reports are filled out by the teacher and signed by the Director or person in charge at the time of the accident/incident. Parents are asked to sign the report for proof that they were notified.

INSURANCE

St. Thomas Aquinas has liability insurance in the amount of \$1,000,000 for each occurrence of negligence covering injury to a child. A copy

of the certificate is available for review upon written request.

FIRST AID AND EMERGENCY PROCEDURES

The St. Thomas Aquinas Child Development Center is extremely concerned and cognizant of its role in correctly managing situations that require first aid or emergency care. Our staff is required to be certified in CPR and basic first aid. Our staff is also trained in emergency and safety procedures. Specific safety and emergency procedures are posted in each classroom and in the Staff Handbook. We practice fire drills monthly and severe weather drills and lock down drills every three months.

We teach our children a story called “Rabbits in the Hole” to help them learn and prepare for our lock down drills. We try to make it as least frightening as possible for our children so that they are not scared during the drill and are still fully prepared for an emergency situation.

The Parish office is in possession of a weather radio that informs us of any incoming inclement weather (i.e.- tornado watches/warnings, flash floods, thunderstorms, etc.), Amber Alerts, etc. ****If we are ever in an emergency situation (fire, weather or lock down), we will inform our parents via the Tadpoles app.**** Parents should also tune into local reporting stations (KBTX, 104.7, & 106.1) for further information & updates as they become available.

In case of a medical emergency which requires advanced medical attention, parents will immediately be notified by phone by the Director or person in charge. If the situation warrants transportation to the emergency room, the Director will accompany the child and the parents will be notified by phone to meet at the hospital.

Consent for general first aid items is also included on the First Aid Consent Form which must be turned in by the first day of class.

EMERGENCY PREPAREDNESS PLAN

If a code is called for the facility or grounds, lock down or shelter in place protocols will be followed. **In case of an emergency requiring off-site relocation, our alternate shelter is A&M Church of Christ located on the north side of the church property at 2475 Earl Rudder Freeway South.** Should off-site relocation be necessary, infants will be transported in buggies and all other students will walk with their teachers and the staff to the alternate shelter. We will travel along the back side of our facility, through the Academy parking lot, and assemble at A&M Church of Christ.

The Director’s cell phone number will be the emergency contact number on file with childcare licensing. CDC Staff will use personal cell phones and the Tadpoles app to communicate with parents. Personal cell phones and any other available phones will also be used to contact licensing and the authorities.

Authorization Forms with emergency contact information and permission to provide emergency medical care will be carried by classroom teachers in their classroom binder. A master binder with all student Authorization Forms will be carried by a designated staff member.

Once staff and children are in place at the alternate shelter and everyone has been accounted for, parents will be contacted and asked to immediately pick up their children. If we are unable to reach the parents, the first emergency contact will be called and asked to immediately pick up the children. We will expect all children to be picked up from the alternate shelter within an hour of contact.

As parents or emergency contacts arrive to pick up children, they will be asked to sign-out their child on the classroom sign-in/out sheet, as would normally occur. Classroom teachers will stay with

their students until all students have been picked up and signed out by a parent or emergency contact.

GANG FREE ZONE

As a result of House Bill 2086, our childcare center is designated as a gang-free zone. The purpose of gang-free zones is to deter certain types of criminal activity in areas where children gather, by enforcing tougher penalties. Certain gang-related criminal activity or engaging in organized criminal activity within 1000 feet of our center is a violation of this law and is therefore subject to increased penalty under state law.

CELEBRATIONS

We have many celebrations throughout the school year (see Calendar). If parents are interested in helping with holiday parties or providing refreshments, sign-up sheets will be posted in each classroom prior to the party. Parent participation is greatly appreciated! We have many special event celebrations throughout the year.

We are unable to allow Part Day Program children to switch days in order to attend an event. If space is available in the class and with prior consent of the Director, parents may choose to send the child for the whole day and must pay the daily rate of \$30. Parents may accompany their child to school to attend the event for no additional fee but must remain with their child during the event. All children are encouraged to attend the Christmas Program and the Spring Program.

BIRTHDAYS

If you would like to celebrate your child's birthday with their class, please coordinate with your child's teachers on date and time and any food allergies. We ask that only **STORE BOUGHT TREATS** be brought in to share. If you wish to send outside party invitations to school, please send enough so that each child in the class will receive one; otherwise, please mail the invitations to the guests. **For the safety of all children at the CDC, no balloon or candles may be brought for class parties!**

WATER ACTIVITIES

Each year, during the summer months, we have "Splash Day". During these times, water activities are provided (sprinklers, water mats, lazy river toy float, hand pump duck races, etc- NO POOLS). Each class has water play time that is supervised by their teachers and extra staff.

WEBSITE

Please see our website www.stabcs.org for a digital copy of our Parent Handbook, upcoming events calendar information, and more!

CONCERNS OF WELL BEING & SAFETY

It is our top priority to keep your child safe from all harm while in our care. In Texas, each teacher and staff member is a mandated reporter of abuse or neglect which means that if we suspect a child is being abused or neglected, we are required by law to report it. Also, if you suspect any abuse or neglect, you may call either the Child Abuse Hotline at 1-800-252-5400 or our local licensing

office at (979) 731-0130. There is also a website available: <http://www.dfps.state.tx.us/>. Minimum Standards and any inspection reports are available on this website and in the CDC office. In addition, if at anytime you see something that appears suspicious, makes you uncomfortable, or violates policy, please bring it to the Director's attention or that of the St. Thomas Aquinas parish's Pastor or directly to the Diocese of Austin Bishop's office at (512) 476-4888.

CONCLUSION

It is our policy that each child's needs are met. If you have any questions or concerns about our Center, the policies and procedures, or the care of your child, please bring it to the attention of your child's teachers and/or the CDC Director. Concerns may also be addressed with the Pastor of St. Thomas Aquinas Parish. We strive to make your child's stay at St. Thomas Aquinas Child Development Center a pleasurable experience.

May God bless you and your family. We wish you a very successful and happy academic year! Thank you for choosing St. Thomas Aquinas Child Development Center!
