Did You Know?

Knowing Internet lingo can help parents safeguard children

Online chat rooms, instant messaging systems, and even cell phones equipped to send text messages are environments rich in abbreviations, acronyms, and other shorthand that help increase the speed of communication. Parents need to become aware of some of the common lingo that is used in these environments. Some of these terms may be found to be vulgar, degrading, or otherwise offensive. However, parents and educators need to have a level of understanding of the dangers that face our children.

Sabe Usted?

Conocer el lenguaje de Internet ayuda a los padres a proteger a sus hijos.

Cuartos de charla, sistemas de mensajes instantáneos, y hasta teléfonos celulares equipados para enviar mensajes de texto son ambientes ricos en abreviaturas, siglas, y otra taquigrafía que ayudan a aumentar la comunicación. Los padres necesitan conocer este lenguaje que se usa en estos ambientes. Algunos de estos términos pueden ser vulgares, degradantes u ofensivos. Sin embargo, los padres y educadores necesitan tener un cierto nivel de entendimiento de los daños que enfrentan los niños al usarlo.

“Si mi pueblo, sobre el cual es invocado mi nombre, se humilla, orando y buscando mi rostro, y se convierten de sus malos caminos, entonces yo oiré desde los cielos, y perdonaré sus pecados y sanaré su tierra.”

2 Crónicas 7: 14

“If my people who are called by my name will humble themselves and pray and seek my face, and turn from their wicked ways, then will I hear from heaven, and I will forgive their sins and heal their land.”

Chronicles 7:14
