

Dear Parents and Students,

It's Box Tops time again! Our year-long contest will be between the three grade divisions: Lower Elementary (**K-2**), Upper Elementary (**3-5**) and Middle School (**6-8**). We will combine the totals from both of our collection dates (October and February) to determine a winner! This year, the winners of the contest will receive one Tag Day **AND** one popsicle at lunch!

Results of the October collection:

- K-2: **20.30** box tops per student
- 3-5: **19.76** box tops per student
- 6-8: **11.85** box tops per student

Can **3-5** overtake **K-2**? Will **6-8** make a legendary second-half comeback?

Please detach the bottom portion and place it in the bag or envelope with your Box Tops. This will help us count the Box Tops with the correct grade division.

COLLECTION DATE: All Box Tops must be turned in by **Thursday, February 21st** (of course earlier is good too).

Thank you for your continued support collecting Box Tops and using the Box Tops App. We earned 46% of our \$1,200 goal in the first collection and need **everyone's help** to earn our goal!!

Happy Clipping,
Lisa Phillips & Don Selm
Box Tops Coordinators

Please circle your grade division then detach this portion and include it in the bag or envelope with your Box Tops!
