

Parking Lot Instructions for School Traffic

Entrances that have access to the school are located at the corner of South Main Street & Tiogue Avenue *and* the entrance off Tiogue Avenue next to Salon Galleria.

Both entrances lead to the school via the one way road *behind the rectory*. Bus Drop-Off and Student Drop-Off will use the same entrances with the following differences:

Student Drop-Off is in front of the gymnasium. After dropping off students, cars exit using the first, left one-way lane, between the rectory on the left and the footpath island on the right. Upon reaching the end of the footpath island, cars will make either a left then a right to the South Main Street Corner OR a right to Tiogue Avenue via the road next to Salon Galleria. **All Drop-Offs must be done in front of the gymnasium or while parked in the parking lot.**

PLEASE NOTE THAT CARS MAY NOT BE LEFT UNATTENDED IN FRONT OF THE GYMNASIUM. Please use caution when exiting the Drop-Off area.

Buses pass the gymnasium and go forward to the 2nd one-way left turn. Students are unloaded onto the sidewalk adjacent to the cemetery. The sidewalk allows students to proceed directly into the school or sideyard safely, without any car traffic crossing their path.

PLEASE NOTE: THE 2ND LEFT LANE SHOULD ONLY BE UTILIZED WHEN BUSES ARE NOT LOADING OR UNLOADING. DO NOT USE THE 2ND LEFT AT ANY TIME WHEN BUSES ARE PARKED ALONG THE SIDEWALK. PASSING A BUS WHILE STUDENTS ARE LOADING OR UNLOADING IS AGAINST THE LAW.

When buses are not parked along the bus zone, then the 2nd left lane can be used.

Student PICK-UP is allowed only by cars that are parked in a marked parking space in the parking lot. Students are not allowed to be picked up in the Drop-Off area or by a car in any of the road lanes.

THANK YOU FOR FOLLOWING OUR PARKING LOT PROCEDURES!
TOGETHER WE CAN KEEP OUR STUDENTS SAFE!!!
