## **LASTING LEGACY**

Leave a Lasting Legacy Remember St. Joseph's Church in your Will

A flexible and popular method of achieving your charitable goals and building a legacy is to create a bequest through your will, or name St. Joseph's Church as beneficiary of a retirement plan. The most common is an unrestricted bequest for the general purpose of St. Joseph's Church. This allows the Church to use your gift wherever it is most needed. However, if there is a particular area you wish to support we will work with you.

Bequest typically takes one of the following forms:

† A specified dollar amount.

† Specific assets, such as securities, real estate, or tangible personal property.

† Retirement account assets, consisting of any benefits remaining in your retirement plans.

† A residuary bequest, in which St. Joseph's receives all or a percentage of the remainder of your estate after all other obligations are met.

† A contingent bequest, in which St. Joseph's becomes beneficiary only if the named beneficiary is unable to accept the bequest.

† An existing will or trust can be amended to make a gift without rewriting the entire document.

Your attorney can prepare a simple document, called a codicil, which adds a new bequest while reaffirming the terms of your will. Similarly, an attorney can prepare an amendment to a revocable trust to add St. Joseph's Church as a beneficiary.

If you have included St. Joseph's Church in your plans (or intend to), please let us know. We will handle all communications with the utmost care and confidentiality. For more information, please call the parish office at (845) 338-1554.

## **The Solidarity Fund for the Church in Africa**

Your gifts to this collection make a real difference the lives of the faithful across the African continent. So many in Africa face a reality of hardship due to migration, poverty, and lack of infrastructure. Your gifts to the collection give them the hope of Christ and show the love of our Church. Please give generously to the Solidarity Fund for the Church in Africa this weekend second collection.

## **After 11:30 am Mass Once a Month Coffee & Cookies**

Our successful "After 11:30 am Mass Once a Month Coffee & Cookies Social" will continue on the last Sunday of each month. This month, we will meet outside in front of the church or in the New School lobby if the weather is bad, right after the 11:30 am Mass for coffee, cookies and conversation on Sunday, June 25th. This activity allows parishioners, young and old to get to know each other, to strengthen our faith and to help each other. Please join us for 15 to 20 minutes to help make this monthly church activity a success. If anyone has any baked goods or questions, please call Ralph Mitchell at 845-594-9487 (cell), or email Ralph at [ralphm1050@aol.com](mailto:ralphm1050@aol.com).

A good college essay communicates who you are and what you believe. It is one of the most important pieces of writing a high school student will ever produce. Join the Hudson Valley Writing Project this summer for a special workshop that guides teens in writing about their lives, experiences, and hopes for the future. At the end of five morning sessions, each writer will have completed a solid draft of the Common App essay.

## Coleman is Alive and Well!

In light of the recent announcements from the  
Archdiocese with regards to the closing of St.

Joseph's School, we wanted to dispel any rumors  
that are circulating about Coleman.

JOHN A COLEMAN CATHOLIC HIGH  
SCHOOL is not closing!!! We are alive and  
thriving every day. We are independent of the  
Archdiocese. We are the only private Catholic high  
school in Ulster County.

We are very proud of our dedicated faculty  
and we have an outstanding group of students. We  
ask that if you hear this rumor, please assure the  
person that Coleman will not be closing. If anyone  
has questions, please contact our Principal, Jim  
Lyons for further updates.

As projected several years ago by the census  
and school wide focus group, student population in  
Ulster County was projected to decline throughout  
the region. We have maintained our percentage and  
do not want these rumors to affect or threaten our  
enrollment.

We maintain that LEARNING IS DIFFERENT  
HERE...DISCOVER HOW!!
