There is a special covenant that families enter upon enrolling at St. Augustine Catholic School. As Catholics, our families have often heard stories about the covenant between God and God's people throughout Scripture. A covenant also describes the relationship of the members of our school community to one another, and therefore we ask each of our school families to enter into a covenant relationship with our school through family service hours known as "Fair Share."

The faculty, staff and students of St. Augustine Catholic School welcome active and visible parent and family involvement in the life of the school. Parent involvement enriches the learning environment for our children, as well as the lives of those donating their time. This involvement not only supports our faculty and the school, but also assists St. Augustine Catholic School in maintaining and expanding many of the academic and extracurricular opportunities offered to our children.

The staff of St. Augustine Catholic School ("SAS"), together with the assistance of our Parent Faculty Association ("PFA"), is committed to welcoming volunteers and assisting them in successfully completing their Fair Share hours. Volunteers are expected to adhere to school rules and procedures, and work cooperatively with all staff and other volunteers.

Our PFA is made up of families, faculty and staff, and is designed to assist the school by fundraising, organizing volunteers, hosting and planning various events, and providing assistance to teachers and our school community. PFA dues for the 2018-19 school year are \$25.

Fair Share Requirements

As part of our St. Augustine School Community:

- Each family registered at the school is required to provide a minimum of **10 service hours** to the school each academic year.
- **A Fair Share Agreement must be signed and submitted to the school office as part of each family's registration.**
- Any adult family member, whether immediate or extended, may earn service hours for a St. Augustine School family.

All 10 family service hours must be completed by the end of the school year. If a family has not completed the total 10-hour requirement by the end of the school year, the family is required to "buy out" the remainder of their hours at the rate of \$10.00 per incomplete hour. For any family whose service hours (or "buy out") have not been fulfilled by the end of the school year, student report cards and/or records may be held until the balance of the money/hours have been settled with the St. Augustine School office.

Please note:

1. If a family's situation makes completing service hours a hardship, an appointment should be made early in the school year to discuss options with the Principal W. Bruce Schooler.
2. In order to volunteer during school hours and/or during activities directly involving students, you must complete Safe and Sacred Training.

REPORTING FAIR SHARE HOURS

Any (1) adult family member, (2) extended family member, or (3) friend of the family may earn service hours for a St. Augustine School family (reference Safe and Sacred Training in our Family Handbook).

- A family receives 1 service hour for every hour of time that an adult family member, extended family member, or friend of the family donates to an approved school activity.
- Service hours may be documented **ONLY in half hour or full hour increments.**

The SAS ***Fair Share Report Form*** is used to report completed service hours.

- This form should be submitted to the SAS office by each family at least once each quarter until the 10 service hours are completed.
- A copy of the *Report Form* is included in this handbook, and extra copies are always available in the SAS office. The form is also available on the school website <https://s-augustine.org/>

FAIR SHARE POLICY AGREEMENT 2018-19

St. Augustine Catholic School believes in the involvement of parents and families in their child's education and school community, and the benefits this involvement brings to all of those involved. In order to ensure that all families share in the commitment to be involved at St. Augustine Catholic School, each family is required to provide a minimum of 10 Fair Share hours to the school community each academic year.

The St. Augustine Catholic School Fair Share Handbook provides the requirement details and guidelines for all volunteers to follow. Any parent, legal guardian, grandparent or family member 18 years of age or older may help to fulfill a family's Fair Share hours, as long as they have met the requirements as set forth in the 2018-19 Family Handbook prior to completing their service hours.

- Each family is responsible for recording their service hours by completing a **Fair Share Report Form** and submitting it to the office at least once each quarter.
- In the event a family has not fulfilled their 10-hour requirement by the end of the school year, the family is required to "buy out" the remainder of their hours at the rate of \$10.00 per incomplete hour. For any family whose service hours have not been fulfilled by the end of the school year, student report cards and/or records may be held until the balance of the money/hours have been settled with the St. Augustine Catholic School office.
- In support of our school activities that benefit of all of our students, the Parent Faculty Association currently requires each family to pay an annual Classroom Activity Fee of \$25.00.
